

# BERMUDA NATIONAL TRUST

## SPRING CAMP 2026

**AGES: 8 – 11 YEARS**

### Trash to Treasure **NEW CAMP!**

23 March - 27 March

Turn your trash into treasure and help save the planet! This week campers will be learning the art of upcycling, transforming old belongings or trash into new and exciting creations! Shoeboxes become foosball games or challenging mazes; old clothing is redesigned with paint or jewels; wooden boxes are transformed into useful storage; craft with nature to create beautiful ornaments. Join the camp where creativity has no limits!

### Nature Detectives Camp **NEW CAMP!**

30 March - 2 April

This week encourages campers to learn the native and endemic species of Bermuda. Using App technology, we travel to a different nature reserve each day to learn about the island's incredible flora and fauna. We link up live with the Bahamas National Trust who will take us on a tour through their island's primeval forests. Back at Waterville we craft with nature, play nature themed games and have fun in the garden!

**Location:** Drop-off and pick-up at Bermuda National Trust offices, Waterville, 2 Pomander Road, Paget.

#### Time and Cost:

##### Trash to Treasure:

8:15 am - 3:00 pm \$300
